Punta Gorda, Florida
Monday, September 22
at 10:33 A.M.

I have contacted two of the leading A.H.S. "JINX" authorities and specialists, "MOD MAMA" LaPORT and "SILENT" ART KANZLER, for assistance in breaking the dreadful spell your Seed Pod pen has placed over me. Using the voodoo, wichery, conjuration, and black magic, known only to the slums of Jacksonville, and the Everglades Wilderness, they have prepared a hoodoo doll, IN YOUR LIKENESS, (exactly) from 10¢ worth of asafetida, three nutmegs, two claws of a fiddler crab, and a sapodilla. I have been SECRETLY before dawn, instructed in the manipulation of this hidious doll-like creature. Oh, Oh, Oh, its +*&¢%$#@ awfull, and as a one time friend I feel deeply obligated to give you fair warning.

Tearfully,

Lous Pete Goulding.

(Signed in Blood of a little WREN.)

SHOW DATES FOR 1970

Labor Day tends to throw a kink in the show dates every so often. The Jacksonville chapter had been using the Sunday following Labor Day for their show date until they had to cancel out for a couple of years and relinquished this date. Early last year (June 17th) the Sunrise chapter asked to have this spot. Since the Sunrise chapter had already had their show for 1969, the Mid-Florida chapter changed their date to the Sunday following Labor Day for 1969 only.

On the basis of last year, the same general week per show, this will be the schedule for 1970, subject to confirmation by the chapters:

May 24th - Bruce Parnell Chapter, Miami area
August 23rd - Gulfcoast Chapter, Venice area
August 30th - Sunrise Chapter, Lake Worth area
September 13th - Putnam County Chapter
September 20th - Ridge Chapter, Winter Haven area
September 27th - Norman Reasoner Chapter, Bradenton Sarasota area
October 4th - Halifax Chapter, Daytona Beach area
October 11th - Indian River Chapter, Vero Beach area
October 18th - Sunset Chapter, Tampa-St. Pete. area

You will note that Mid-Florida and James E. Hendry chapters are not listed. Last year the Hendry chapter held their show the week before the Annual Membership Meeting. Perhaps they will want to move it a little this year since June the 7th is now open. Two years ago the Mid-Florida chapter held their show the week before Gulfcoast. They will have to let us know which spot they want this year.

With the exception of the Hendry and Mid-Florida chapters, the above dates will be considered official unless the Executive Secretary is notified in writing of any change.
